

Office of the Mayor

On behalf of City Council and the people of Peterborough, I am pleased to extend wishes and offer support for the recognition of Italian Heritage Month in Ontario.

With the passage of Bill 103, the substantial contributions made by generations of Italians to the well being of our province and our community are being rightly recognized.

Peterborough has a thriving Italian community that has made substantial contributions to the economic, cultural and social progress of our City. We have been enriched by a community that offers the legacy of a proud heritage as well as a prosperous future.

Peterborough is proud to join with other Ontario communities in celebration Italian Heritage Month this June.

Sincerely,
