As Mayor of the City of Greater Sudbury, I am pleased to offer congratulations to the National Congress of Italian Canadians – Toronto District, for receiving Royal Assent declaring June as Italian Heritage Month.

We encourage and welcome cultural celebrations of our many cultural groups that work hard to promote and preserve their rich heritage. These celebrations encourage understanding and goodwill and enrich our social and cultural development and the quality of life for many.

I have a great appreciation for our Italian community's spirit, their strong work ethic, community values, and many contributions to Greater Sudbury.

On behalf of City Council, I extend my congratulations to you and wish you continued success.

Distinti saluti,
