A MESSAGE FROM THE PREMIER OF MANITOBA

On behalf of the Province of Manitoba, I am pleased to extend warmest congratulations on the occasion of Italian Heritage Month.

Manitoba is fortunate to have a vibrant and generous Italian community. We know what an important contribution the members of the National Congress of Italian Canadians have made, and continue to make in Canada. As you commemorate the 150th anniversary of the unification of Italy this June, I wish you the best as you celebrate the successes of the past while looking towards the opportunities of the future.

I vostri vicini dell'Ovest vi auguriamo una buona festa della vostra celebrazione. Congratulazione!
